

Welcome to **Mama lernt Deutsch**

All women are welcome to join us. Mothers can also bring their young children to the meetings.

On the homepage you will find all locations under the menu item "Unsere Gruppen" (our groups), divided into Munich West, Munich East and Munich North. The exact addresses and dates are also given there. You can easily find a **Mama lernt Deutsch** group near you on the city map given on our website.

Participation in the weekly meetings is free of charge.

Mama lernt Deutsch Groups meet once a week in the morning for 2 hours during the Bavarian school year. There are no meetings during the Bavarian school holidays.

Before we start with German lessons we have a small breakfast and some conversation. In the lessons you will learn what you need for everyday life and what will interest you.

We are looking forward to you!
